Set One of Ten cards

Cutting Instructions

Cut two A4 Balmy Blue sheets as below to give 10 mats. Please pay attention to the way the card is set out, if you don't follow the instructions, you won't have enough card.

With the short side at the top cut at 4 $\frac{3}{4}$ ", cut this piece at 3 $\frac{1}{4}$ " three times.

Cut the remaining large piece to 3 $\frac{1}{4}$ " wide and cut it at 4 $\frac{3}{4}$ " twice.

This will give you 5 card layers and scraps for each A4 sheet, SAVE the scraps for decorating.

Cut the Patterned Paper 12" x 12" into four 3" strips.
Cut each strip at 4 ½" long twice, leaving a 3" square.
Cut one 3" square into three 1" strips

This will give you eight 3" x 4 ½" layers plus two 3" squares and 1" strips to make two extra cards, the remaining paper can be used for embellishments.

Two pieces 2 1/4" x 3 1/4"

Two pieces 1 3/4" x 4 3/4"

and a small scrap from each A4 sheet.
